

TABLES

***You are to make a table of 4 non-alcoholic drinks that includes pictures and information about the drink.**

Use this site to help if you get stuck <http://www.myhtmltutorials.com/table.html>

Start by making a folder and fill in the necessary tags to start a new page.

- 1. Pick 4 drinks from the chart in the O: drive**
- 2. You need to find a picture for each drink to go in the table. Pictures should all be the same size so it looks nice.**
- 3. You need to include 6 pieces of information for each drink.**

Drink name
Serving Size
Energy
Calories
Carbs
Caffeine

- 4. Include a background sound with your page when it opens.**
